

LUMBY HEALTH CENTRE
DURING THE COVID-19 RESPONSE

BEFORE YOU ENTER TODAY FOR YOUR HEALTH CARE APPOINTMENT

- Have you travelled outside Canada in the past 14 days?
- Been in close contact with a confirmed or probable case of COVID-19?
- Do you or your child feel ill and or experiencing sudden onset of the following symptoms?
 - Runny nose, sore throat
 - Fever
 - Cough or worsening of chronic cough
 - Shortness of breath
 - Headache
 - Fatigue
 - Muscle aches
 - Loss of appetite
 - Chills
 - Loss of sense of smell or taste
 - Diarrhea or vomiting

If you have any of the above, do not proceed with your appointment. Help to prevent the possible spread of COVID-19 or other illnesses. Please call Lumby Health Centre and reschedule your appointment.

UPON ENTERING THE BUILDING

- Please use hand sanitizer before entering and leaving the Lumby Health Centre.
- We recommend a face mask when entering the building to protect yourself and others.
