

## YOU ARE INVITED

**Strategic Planning Zoom Meeting:  
November 23, 2020 from 10:00 – 12:00**

The Lumby & District Health Services wants to engage the community in a strategic planning process to set our organizational goals for the next 3 to 5 years. This will ensure that our volunteer efforts are in line with the community's broader interests in the service of facilitating and maintaining health services. We will only know what your interests are if you share them with us. We need your input! Below are directions for providing input as well as an invitation to join the Strategic Planning meeting.

### **How to Provide Input into the Strategic Plan: Come to a Zoom meeting or email us!**

- Please email us your email so that we can invite you to the Zoom meeting.
- Alternatively, you can reply by email please send your input to [lumbyhealthcentre@shaw.ca](mailto:lumbyhealthcentre@shaw.ca) if you are unable to attend the Zoom meeting

### **Strategic questions:**

1. What are important characteristics of a healthy community for all who live, work, and play in Lumby?
2. How do you envision the community health system in the next 5-10 years?
3. What can we do to improve the health of Lumby?

Thank you for your support of community health services. We hope that you can provide us with input as we begin our strategic planning process.
