

Emergency Reflective Address Signs for Area D

Lumby & District Health Services Society, in conjunction with the Lumby Men's Shed and funded by a North Okanagan Regional District's Community Works Fund Grant are offering Emergency Reflective Address Signs for Area D Residents. Order an address sign and make your property easier to find! This initiative could save lives and homes. Our high-quality reflective address signs include a post and can be in a vertical or horizontal format. We will print reflective numbers on both sides so that they are visible from either direction, but if you are dead end or in a cul-de-sac you may only need numbers on one side.

Submit your request on the provided form and we will contact you when your sign is ready. Paper copies of the form will be at the Lumby Health Centre. Drop off forms at the Lumby Health Centre. Address signs must be picked up at Lumby Men's Shed headquarters at 2598 Shuswap Avenue, Lumby, B.C. You will be responsible for installing your own sign.
